

Chorus

I'm smoking on that good (On the good)
Mary Jane make me a fool (Damn fool)
I'm chiefing every day (Every day)
Sipping purple eyes all red (awready)
I'm smoking on that good (On the good)
Mary Jane make me a fool (Damn fool)
I'm chiefing every day (Every day)
Sipping purple eyes all red (awready)

Double X verse

If you aint feeling the bullshit Ima Dallas TX it
Got insurance on the mic cuz you know I'm known to wreck it
Tires to tha rooftop I let the truth knock
One verse one man I make your crew stop
I'm so political yet I'm so lyrical
But its always smoked out every time you hear it though
One hit you're gone it's that D-R-O
Getting head with my bro's from some P-R-O's
Under covers wanna know if we got O's
My business never in the street man I keep that closed
Plus I never get petty business on my phone
Man I never let a hater up in my zone
The game's deep so it's hard to come up
So I pay no attention to the fame or the sluts
I keep it moving like I can't pay rent
Brown man getting paid worldwide I represent (uh)

Chorus

Double X 2nd Verse

I gotta lotta hoes cuz I gotta alotta dick
Like my bitches like my money and that's real thick
The world's real fucked up so I gotta party
I won't bother anybody but I'll shoot up everybody
I'm here to keep it trillin cuz I love the way I'm feeling
Hatas can't roll with playas cuz yall never seem to fit in
Down south to Italy the whole world feeling me
Double X the truth boy Double X the remedy
I'm from the city where them boyz shot Kennedy
Corruption In my city trying to get the best of me
Instead of helping me niggaz wanna envy me
So there's no progress but it don't mean shit to me
Pour it up light it up raise it up blaze it up
Represent south side throw it up
I'm a do what it do every time I come through
Every time that I do it's always brand new cuz

Chorus

Pancho T.N.T. 3rd Verse

I wanna welcome yall to Dallas, TX
Home of the startch and the chrome
Know how we do it D-T-X
It's a simple life that I spit and write
D-Town in the air get gangstarized
Pancho T.N.T. lighting up the sweets
Speaking espanol similar to Italy
Smoking on that good inhale the flight
Big body swerving while I toast the wine
Riding around system bumpin' loud
P-A-N-C-H-O and you like my sound
Still so gutter sound like no other
Went to Europe and took my butler
Bring me some herb from Amesterdam
Get so high with my Mexicans
Bring me a swisher or a berry wrap
Break down the dro let's smoke and rap
All about my hoes all about my cash
I'm a P-I-M-P cuz I pimp they ass
Just ride around and chief with me
Dallas Texas home of the G's
Blow smoke in the air cuz I don't care
Cuz I don't care cuz I don't care
